

Central Institute for Supervising and Testing in Agriculture

*organises international conference
under the auspices of Mr. Marian Jurečka, Minister of Agriculture*

25 Years of Soil Monitoring in the Czech Republic

Brno, 1. - 2. 2. 2017

Assembly hall at University Campus Bohunice - A22/116

European Food Safety Authority

implemented in cooperation with the contact points for scientific and technical cooperation with EFSA

International conference **25 Years of Soil Monitoring in the Czech Republic**

Brno, 1. - 2. 2. 2017

Assembly hall at University Campus Bohunice A22/116

Program

1st February 2017		
8.30 – 9.30	Registration of participants	
9.30 – 11.30	1st part Opening ceremony, opening speech, panel discussion	
	Opening speech by the Director of ÚKZÚZ	<i>Daniel Jurečka (CZ)</i>
	Contribution of Ministry of Agriculture – Deputy Minister Jiří Šír	
	Contribution of Ministry of Environment representative – Deputy Minister Vladimír Mana	
	Contribution of DG SANTE representative	<i>Ladislav Miko (CZ)</i>
	Soil monitoring systems in different countries and importance of monitoring for soil protection in Europe	<i>Milan Sáňka (CZ)</i>
	Importance of soil monitoring for objective monitoring of the state and development in soil fertility	<i>Jaroslav Staňa (CZ)</i>
	Discussion	
11.30 – 12.30	Lunch break	
12.30 – 14.00	2nd part Soil Quality	
	Soil monitoring – analytical possibilities	<i>Jiří Zbiral (CZ)</i>
	Soils in Basal soil monitoring – pedological and physical characteristics	<i>Ladislav Kubík (CZ)</i>
	Basal soil monitoring as a tool for assessing the impact of changes in soil management on microbial parameters	<i>Stanislav Malý (CZ)</i>
	Contents of macro and microelements in soils in Basal soil monitoring	<i>Lenka Prášková (CZ)</i>
	Structure and yield of field crops at monitoring plots in Basal soil monitoring	<i>Pavel Němec (CZ)</i>
14.00 – 14.30	Coffee break	
14.30 – 16.00	3rd part Soil Contamination	
	Quality of agricultural land in the CR with respect to content of contaminating substances and their changes	<i>Šárka Poláková (CZ)</i>

	Comparison of measured and expected concentrations of pesticide residues in soil	<i>Lenka Klačková (CZ)</i>
	Soil Monitoring in Switzerland – first results of pesticide monitoring	<i>Daniel Wächter (Switzerland)</i>
	Monitoring the impact on environment using active biomonitoring – methodics and experience	<i>Lenka Klementová (CZ)</i>
	Source-related measurements of ambient air quality using plants as bioindicators	<i>Richard Öhlinger (Austria)</i>
2nd February 2017		
9.00 – 10.45	1st part Soil Monitoring in the European context	
	Opening speech by the Minister of Agriculture Marian Jurečka	
	30 Years of Soil Monitoring by the Bavarian Environmental Agency – Results and Experiences	<i>Peter Spörlein (Germany)</i>
	Development of Soil Characteristics in Austria	<i>Andreas Baumgarten (Austria)</i>
	Soil Monitoring in Switzerland – what can be said after 30 years?	<i>Andreas Gubler (Switzerland)</i>
10.45 – 11.15	Coffee break	
11.15 – 13.00	2nd part Soil Monitoring in the European context	
	Soil monitoring in Poland – long term and new approaches	<i>Grzegorz Siebielec (Poland)</i>
	Soil monitoring in Slovakia – current knowledge and experience	<i>Jozef Kobza (Slovakia)</i>
	The Hungarian Soil Monitoring System: results, weaknesses, development opportunities	<i>Béla Pirkó Jozsef Szabo (Hungary)</i>
	Monitoring of contaminated soil in Bulgaria – status and perspectives	<i>Nikolaj Dinev (Bulgaria)</i>
13.00	End of Conference	

Participants may present the results of their scientific work with posters (size: A0, orientation: portrait). Please send the title of your poster and abstract till 31st December 2016 by e-mail to soilmonitoring2017@ukzuz.cz, in the Subject please write: **Poster**. Delivery of the poster will be confirmed by e-mail.

No registration fee will be charged. Refreshments will be provided. Costs for accommodation at place of conference shall be paid by the participant.

Please register for the conference by sending a reply to this e-mail till 20th January 2017.

Address:
Kamenice 5, Brno

GPS: 49°10'43.483"N 16°34'8.828"E
