

Dear colleagues,

I'm writing to you with regards to a search for partnership. We are the LAG of Silale district (Lithuania) and are looking for a European LAG to apply for the Rural Development Programme for Lithuania 2007-2013, measure 421 "Transnational cooperation" call for proposal. Our idea is to encourage local craftsmen entrepreneurship while preserving and promoting traditional crafts and enabling local craftsmen to gain necessary knowledge and skills to use crafts as a new form of entrepreneurship.

You could find attached summary of our project idea.

If you're interested please contact Indre Jankauskaite at indre.jankauskaite@yahoo.com,
